This turnout statement will be a term and condition of your grazing license. Prior approval by the Field Office Manager must be given before any changes and/or modifications are made to this turnout statement. Livestock use in the Willow Creek and Red Mountain South pastures will be in accordance with the U.S. Fish and Wildlife Service 2004 biological opinion and the 2007 amendment to the 2004 biological opinion.

Compliance with Pasture Use Guidelines shall be met prior to and during the grazing season on public land to ensure that the utilization limits are not exceeded in your pastures. Your turnout date will be based on the BLM's range readiness criteria. If you have any questions on your turnout date, please contact your rangeland management specialist prior to turn out

Utilization studies for your pastures of use will be conducted periodically and within one week after livestock are removed. If you desire to accompany Bureau personnel on forage utilization studies, notify Andy Bumgarner at (541) 473-6284 prior to livestock removal.

Sincerely,

A handwritten signature in cursive script that reads "Carolyn R. Freeborn".
